Everybody Wins Prize At Gay Nineties Carnival

The chant of barkers, drone of bingo callers and smell of popcorn and hotdogs filled the Vulcan Armories last Friday and Saturday as crowds milled around at the Gay Nineties Carnival, sponsored by women's groups, for the Vulcan and District Recreation Centre.

A good chance of there being over \$1,000 as proceeds has been announced by Bea Richardson, committee chairman of the event and sponsors feel gratified at its success.

The raffle for the mink stole was drawn for Saturday night and was won by Mrs. Seno Degenstein of Vulcan. Winners of two cakes which were also raffled were George Richardson and Dave Leback, both of Vulcan.

Two well known musicians, Don Mallory and Bill Turley entertained on stage each night on piano, sax, banjo and violin with a colorful hour of real honky-tonk melodies which fitted perfectly the old-time garb and motif of the show down on the floor of the armories. In the basement a lineup formed occasionally at the busy bingo tables, while at the lunch counter more ladies were on hand dispensing coffee and hotdogs.

Surrounding the main floor were booths operated for the most part by women, with occasional male help. Children's games of throwing darts at balloons, shooting at bottles and ringing prizes with hoops started out as children's games but saw about as much adult play as the evening wore on.

Even the old original carnival money-makers, the wheel games were on hand. However limits were on and it wasn't half bad losing a buck or two considering the smiling face on the house side was playing the part of a brazen hussy for a couple of nights only and considering each "donation" might mean another pound of nails or a quart of paint someday on the lot next door.

In one booth was a side business of the kissing game — 50 cents for five seconds — which apparently saw no play. For one thing it was never sure who was going to do the kissing and further no one knew where the husband might be at the time.

A concession that did back up its promise though was the cold drink stand. The girls claimed the oranges and lemon drinks were cold and they were. Real tasty too. Makes a fellow think carnivals have turned over a new leaf.

With Bea Richardson were committee members Jo Matlock, Shirley Walker, Betty Hagg, Marie Clarkson and Shirley Franks.

55th Wedding Anniversary Celebrated

Former residents of the Ensign district, Mr. and Mrs. Elmer Hansen, now of 427-49 Ave. SW, Calgary, observed their 55th wedding anniversary Sunday Nov. 1, by a family smorgasbord held at the Stampeder Hotel, Calgary. Although the actual date of their anniversary was August 1st, (in the busy season of the year) the family gathering was held exactly three months later on their son Henry's birthday, and one week preceding their other son Harold and his wife Jeanette's 26th wedding anniversary.

Those present for the dinner were the honored couple, Mr. and Mrs. Elmer Hansen; their son Harold, his wife Jeanette, their family Darlene, Donald and Marilyn and Richard Leback; and their second son Henry, his wife Chrissie and children Jean and Craig. Missing from the gathering was a grandson David and his wife Pat of Victoria, B.C.

Mr. and Mrs. E. Hansen were married in Copenhagen, Denmark on August 1, 1909, sailing for Canada the following week. They made their home in Calgary until 1918, when the Hansen's commenced farming in the Ensign district, remaining in the area for 35 years before retirement to Calgary in November 1953.

Keystone Class Elects Officers

The November meeting of the Keystone class was held at the home of Misses Janet and Mildred Ware, with 17 members in attendance. The meeting opened with the hymn "I Will Follow Jesus" followed by the regular business.

The slate of officers for the following year is: President, Miss Janet Ware; first vice-president, Mrs. H. Smith; second vice-president, Mrs. Muriel Smith; secretary, Mrs. Joyce Pelham; treasurer, Mrs. A. Wismer, card secretary, Mrs. K. Wiersma; correspondent, Mrs. C. Marshall.

The annual Christmas party was arranged with Mrs. M. McMullen and Mrs. Birkenes conveners for the lunch committee. The devotion was given by Geo. Chapman, minister of Parkhill Church in Calgary. The meeting closed with a delicious lunch served by the hostesses.

The oldest continuous annual sporting event in North America is the St. John's Nfld. Rowing Regatta. First written record of the regatta is dated 1828, and it apparently had then been going on for some years.

Highlanders Not Affected By Militia Cut

Reorganization of the militia forces of Canada has resulted in the closing down of some units in both city and country points, but has not affected the Calgary Highlanders or their outlying companies at Vulcan, Drumheller and Hanna. If anything, the Highlanders have emerged from the shakeup in a stronger position than before, as the militia unit at the River will be switched from Service Corps and become a Highlander company.

Emphasis is once again on corps training and with the Highlanders this means training in handling a variety of weapons and in other infantry skills.

"A" Company, Calgary Highlanders, Vulcan, still has room for a few recruits and enquiries should be made at the Vulcan Armories any Monday evening.

Hutterite Situation At Brant Aired At C of C Meeting

Support Asked For Meeting At Red Deer

Recent developments in the Hutterite situation in the Brant district were described to members of the Vulcan District Chamber of Commerce at their November meeting last Wednesday night and a public meeting on this subject, in conjunction with local FVA, will be held.

This meeting is designed to give residents of the county a complete picture of events which have had a part in the resultant organizing of a conference at Red Deer, Nov. 30, to investigate all aspects of the Hutterite situation in Alberta. This conference is planned by East Central Alberta Development Board of which Richard Fritze of Castor is president.

Two Brant farm women, Mrs. Steve Dixon and Mrs. R. D. MacDonald, were present and gave a first-hand account of developments since the Fletcher and George Hamilton lands were bought by individual Hutterites this spring. On a map it was shown that Hutterites now own approximately 10 sections, two and a half more sections than would have been allowed had the colony application been upheld.

Since early spring the following has taken place:

—After purchase became known the first protest meeting was held; —A delegation met with Communal Property Control Board, April 1;

—Announcement of rejection of Hutterite application;

—The application was appealed;

—Second protest meeting was held May 28;

—Second delegation met with cabinet ministers on June 1;

—Final rejection on June 10.

According to the speakers, late in June rumors were circulated that Hutterites were taking over the land regardless of previous ruling. Acting Minister of Municipal Affairs, Russel Patrick, was contacted June 19, and gave assurance that the government had not changed its decision and that action would be taken if Hutterites did move in. Assurance also came from Mr. Patrick and local MLA (Please turn to Page 7)

Investigation Continuing Says Committee

A five-man delegation of Brant farmers met with a provincial cabinet committee of five members in Calgary last Friday and asked that the provincial government uphold its own legislation which forbids the establishment of new Hutterite colonies, either as separate colonies or as extensions of existing colonies in Alberta without the approval of the Communal Property Control Board.

An application of the Rock Lake Hutterian Brethren of Wrentham to purchase land in the Brant area was turned down by the government this year, but since then the land has been purchased in the names of individual Hutterites of the Rock Lake colony and is now being farmed by members of the colony. It is reported that the Hutterites have now purchased about 6,000 acres of land in the Brant district.

The Brant group included farmers J. S. Dixon, R. D. McDonald, Ross Kennedy, E. Green and H. W. Bride. In the closed session with the cabinet committee they were told that the government was continuing investigations to determine if the Brant operation was really a colony. "We get the impression," said one member of the Brant group, "that the cabinet members feel the Hutterites present no real threat to us." The Brant farmers are determined to carry on their fight to get the government to take some action on the matter.

Members of the cabinet committee, whose meeting in Calgary was one of a series designed to bring the government closer to the people, were Premier E. C. Manning, Provincial Treasurer A. O. Aalborg, Public Works Minister Fred Colborne, Education Minister Randolph McKinnon and Lands and Forests Minister Norman Willmore.

Business Includes Scout Ceremony, Recreation Report

"Has Vulcan lost sight of the value of youth work?" Such was the question pondered by Rick Clark, Executive Commissioner of Southern Alberta Scout Association, as he spoke to the Vulcan District Chamber of Commerce Wednesday, Nov. 4.

In attendance to describe the possible role of the Chamber in the Queen Scout Ceremony scheduled for Vulcan on Jan. 16, 1965, Mr. Clark expressed pleasure at the recent resurgence of adult interest in scouting and although other points are wanting to hold this impressive event it was felt that having such a ceremony in the sponsoring Lake McGregor district, the importance of youth work to adults would be brought to light more clearly.

Up to 50 boys and parents will congregate at Vulcan for the day to receive their Queen Scout award from the Hon. Percy Paige, Lieutenant Governor of the Province of Alberta. "A Queen Scout is a boy who has equipped himself for public living and service", said the speaker and he felt this would be a logical time to honor also those adults who have done much to further this youth movement in the McGregor district.

Vulcan is not alone with its leadership problems according to Mr. Clark. He felt society is becoming more and more difficult in the changing world and the lack of good leadership to guide and educate youngsters so they may cope with and be useful to others (Continued on Page 7)

C. Armeys Mark 25th Anniversary At Arrowwood

Mr. and Mrs. Chester Armeys held Open House for friends and relatives on November 7 to mark the occasion of their 25th wedding anniversary. They were married at Arrowwood and have farmed there since.

Their home was decorated with lovely floral arrangements sent by friends and family.

The tea table was covered with a crocheted cloth made by Mrs. Armeys. It was centered with the wedding cake which was made and decorated by their daughters, Linda and Nadine, and was flanked by white tapers.

The guests were graciously served by Linda and Nadine assisted by their cousin Arlene Roberts. Mrs. T. Board, Mrs. F. Oberholtzer and Mrs. G. Roberts shared the pouring honors in the afternoon while Mrs. G. Harmon, Mrs. C. Reed and Mrs. W. Blumer poured in the evening.

Misses Brenda Williams, Barbara and Brenda Roberts were in charge of the guest book.

Mr. and Mrs. W. Blumer from Dinsmore, Sask., were present to help celebrate the occasion. Mrs. W. Blumer is a sister of Mrs. Armeys. Other out-of-town guests were from Calgary, Clive, Lylita, Irricana, Farrow and Shoultice.

Gymkhana Club Completes Successful 1964 Season

After a most successful season, the Vulcan & District Light Horse Assoc. held its windup gymkhana Sunday, Oct. 25, with a record number of participating contestants.

At the close of the various events, President Don Houlton made the presentations of the trophies donated by the local merchants to the junior members. He congratulated each, commenting on how their enthusiasm never waned throughout the season.

A wiener and hamburger roast, complete with bonfire was then enjoyed by the members and their families.

The club, organized in April of this year, boasts a membership of more than 60. Six gymkhanas were held throughout the summer at the grounds provided by Donon Sales.

Christmas Carol Festival Planned

All choirs in the Vulcan area are being invited to participate in a Christmas Carol Festival, which is again being organized this year by the County Central High School Glee Club. The festival will be held at Vulcan on Wednesday, Dec. 16.

It is hoped that all choirs in the county will be able to participate. Choirs are invited to perform two numbers and choir directors are asked to send in the titles of their selections to Betty Ellis in Champion, Pat Christensen in Vulcan or Mrs. V. M. Johnson, Vulcan.

Halloween is over and by now all the loot has been eaten and the pumpkin thrown out but memories of the evening's fun still live with groups of youngsters such as those pictured above. Supper was early

at most town homes to be ready for the onslaught of "trick or treat" goblins, cowboys, Indians and witches which run to over 200 in some of the "heavy traffic" areas of town.

We are greatly concerned about written notes permitting students to go downtown during noon hours.

We are trying to keep these youngsters off the streets, but without the co-operation of the parents this is a difficult task.

Recent happenings have brought to light instances of forged notes and this cannot be tolerated.

A VALID REASON MUST BE GIVEN each time a parent writes a note requesting that the student be allowed to leave the school property at noon hour.

PERFORMANCE TESTING PAYS OFF

Interest on the part of both purebred and commercial cattle breeders in Alberta is steadily increasing the demand for performance tested bulls.

According to J. S. Lore, Supervisor of Beef Cattle Performance Testing with the Alberta Department of Agriculture, there are over 500 high performing yearling bulls available in this province. He also reports 90 purebred beef cattle herds had been enrolled in the Federal-Provincial Performance Testing Program by last fall. Several of the larger commercial breeders are also testing their herds for performance. In fact, some commercial breeders now have quite extensive progeny testing programs to prove out potential herd sires.

Mr. Lore says some feeders in the United States contract a year in advance for feeder calves from ranchers who have quality cattle and who use high performing sires.

In recent survey of eight U.S. cattlemen, feeding performance tested animals, seven said they were willing to pay up to \$15 a head in premiums to get feeders from high performing parents. In this particular survey the performance feeders outweighed the check lots by as much as 1/5 to 1/2 pound a day. There was very little difference in the carcasses of the performance tested animals and the check lots.

The fourth Annual Report on the Alberta Beef Cattle Performance Testing Program is now available from District Agriculturists and from the Livestock Branch of the Alberta Department of Agriculture. It lists all the breeders taking part in the program and gives the number of males and females they have already tested.

Remembrance Day

In a contest sponsored by the Ladies' Auxiliary, Royal Canadian Legion, Champion Branch No. 262, first and second prizes for essays on the theme "Remembrance Day" were won by Michael McGrail and Linda Jordan, respectively. Both are Grade 8 students at the Champion school. The Advocate is pleased to publish these winning essays at this appropriate time.

ESSAY BY MICHAEL McGRAIL

Armistice, the end of the war — freedom had been won, but the price had been high. Victory had come in the end, and on this day Nov. 11th we remember those heroic men who fought and died for us.

War had come so suddenly, creeping up like a cat in the night, then striking with force and hatred. Gone were the men to war, to fight for freedom and conquer the oppressor. Then even as it was pressed back it left a trail of tragedy and bloodshed though at long length it was vanquished.

Victory! Armistice had been signed, peace at last! Back came the men, home from so far, home to their wives and children, but for some there was no return. Only the countless white crosses bear mute testimony of their sacrifice.

How can we ever thank them for the freedom they so unselfishly gave? Do we just take this freedom for granted, or in our every day life do we stop and consider — really consider — that countless men gave their lives — their lives — the most important thing they had, for our freedom, yet they gave willingly. Let us not make everything they fought for worthless or in vain. Let us this Armistice rededicate ourselves to peace.

ESSAY BY LINDA JORDAN

The bitter, morose wind howls over the seemingly endless rows of crosses where the veterans of the wars rest in peace. To these dearly beloved soldiers who lie here we dedicate a day every year, this day being Nov. 11th, now known as Remembrance Day.

These fearless and honorworthy veterans suffered their way through dangers unknown to us; bravely and uncomplainingly without retreat. Many are still patients in veterans' hospitals where they are recovering from the injuries and effects of the wars. They gave their lives to save ours; we are grateful for it. If they had not, we would be slaves to a foreign government. Our freedom would be gone, no longer could we hold our heads in pride, no longer would be able to salute our flag or pay tribute to our queen. We owe these men our lives, but they do not ask for this, for they know we remember them continuously.

This coming Remembrance Day, donate generously to the poppy fund and wear your poppy with pride, for this is the symbol of courage, strength, and above all, love.

IN MEMORIAM

SPARKS— In loving memory of a dear husband who passed away Nov. 11, 1963.

One lonely year has passed,
Since my great sorrow fell,
The shock I received that day,
I still remember well.
My heart still aches with sadness
And secret tears flow,
What it meant to lose you
No one will ever know.
—Ever remembered and sadly
missed, his wife Lillian. 15-1p

Support Asked

(Continued From Front Page)

Ray Speaker that no further local action would be necessary. Mr. Patrick asked the group to phone if Hutterites did take up residence.

Later it was learned that land titles were being transferred and Hon. A. J. Hooke, Minister of Municipal Affairs, was notified, as was Mr. Speaker. The Brant group asked that the government keep in contact through Mr. Speaker but nothing was heard.

In newspaper coverage of the situation Mr. Breach, chairman of the Communal Property Board, was quoted as saying his board would not be concerned about Brant until a formal complaint with offer of supporting evidence was received. This was mailed to him on Oct. 6, along with 27 signatures.

An informal meeting was held at the home of R. D. MacDonald on Oct. 15 with Mr. Speaker in attendance but other than copies of the land involved, no new information was found.

Acknowledgement that the complaint letter has been received has come from Mr. Breach but at the time nothing more was known to have been done.

The ladies suggested as large a contingent as possible be sent from this area which is being immediately and directly affected by Hutterite expansion. They were wondering if it might be time to look into the matter of retaining a lawyer for direction.

In conversation with Mr. Fritze, the municipal affairs minister is reported as feeling that the meeting at Red Deer will not draw any degree of response.

The public meeting to be organized locally will attempt to give emphasis on the county-wide effect of Hutterite expansion such as that apparently underway at Brant and if possible a motorcade to Red Deer will be organized from Southern Alberta points on the conference date.

A question was asked by a chamber member whether this private acquisition of land by individual Hutterites was not against the religious teachings of the sect.

Foundations are now being built at the former Fletcher place and one rumour claims a cookhouse is being erected.

in their adult years, is desperate. Money is the least problem in the youth movement today, according to Mr. Clark. The tragic need is for adults who will place youth work on a higher category of time needs in their lives, and take an active part in leadership on some level.

Other Business

The subject of the highway sign was brought up and it was mentioned that the town crew is preparing to pour footings for the sign at the highway entrance. It is hoped to have the huge town sign erected before cold weather strikes.

An informative Recreation Centre report was given by Gordon Brown which included news that by one means or another the current \$30,000 deficit in purchase of the Calgary Meadowlark Curling rink has been cut to approximately \$6,000. This is owed to Bill Wearmouth construction of Calgary. A guaranteed bank loan is still outstanding.

The Recreation treasurer made mention of the \$1,000 donated by the Vulcan Lions Club, the commitment of the Vulcan Kinsmen Club of \$1,000 a year for the next three years and a previous donation by the Vulcan Elks Lodge of a very substantial amount. He also mentioned the good hearing the Recreation committee had received in their interview with town council and that Commodore Allen is stumping for the community auction in the near future.

Christmas shopping hours were resolved by the Chamber and will see Vulcan stores open Mondays during December and for the first Monday in January, 1965.

The possibility of curtailment of CPR passenger service through Vulcan was discussed and it is hoped a representative of the Chamber will be able to attend a meeting on this subject on Nov. 27, at Lethbridge.

AGNES ENS SHOWER

A shower was held at the home of Mrs. J. Zuba on Thursday evening in honor of Miss Agnes Ens, whose marriage to Wayne Mickelson took place on Nov. 7. About 25 friends and relatives were in attendance to wish the bride all the best.

Games were directed by Mrs. E. Emelson and Mrs. G. George, and the winners were Mrs. I. Steeves, Margaret Rupert and Mrs. Odland, sister of the bride.

The bride sat at a head table decorated with blue and white streamers and centred with a decorated cake made by Mrs. J. Milos. She was assisted by her sister Mrs. Ernie Zuba. After opening all the lovely gifts Agnes graciously thanked the ladies and invited all to visit them in their new home at New Dayton.

A lovely lunch was served by the hostess and assisted by the ladies of the WI.

MRS. ERNIE ZUBA SHOWER

A miscellaneous shower was held recently at the home of Mrs. Floyd Howg, in honor of Mrs. Ernie Zuba (nee Mary Ens). Several friends and relatives gathered to give their best wishes.

After the gifts were opened the bride thanked the ladies and invited all of them to visit them in their new home at New Dayton. A delicious lunch was served by the hostess and assisted by members of the WI.

HILZ-HAGA

Dawna Haga Bride At Fall Wedding

On Saturday, October 3, a very lovely wedding was solemnized at the Vulcan Church of Christ, when Dawna Marie, second daughter of Mr. and Mrs. Ivan Haga and Edwin Henry, eldest son of Mr. and Mrs. Henry Hilz of Calgary, were united in the bonds of holy matrimony. Rev. Ronald Pelham and Rev. M. Heebner officiated at the double ring ceremony. Guests were ushered to their places by Doug and Ken Munton, nephews of the groom. Best man was Gary Hilz, brother of the groom.

As the bride entered the church on the arm of her father to the strains of the Wedding March played by Mrs. Clarence Priebe, she looked very lovely in a floor-length gown of lace over taffeta. Her shoulder-length veil was held in place by a pearl tiara and she carried a white Bible covered with red sweetheart roses. Her only jewellery was a single strand of pearls, a gift of the groom. Preceding the bride were two junior bridesmaids, Brenda Haga, sister of the bride, and Glenda Hilz, sister of the groom; two bridesmaids, Miss Lynda Dann, cousin of the bride and Miss Marilyn Greene; and matron of honor, Mrs. Carolyn Leslie, sister of the bride. All were dressed in shades of blue

peau de soi and wore matching headpieces and shoes. Each bridesmaid carried a nose-gay of pink carnations and the matron of honor carried pink roses.

The flower girl, Karin Haga, cousin of the bride, was very cute in blue nylon and carried a basket of baby carnations.

After the bride had taken her place at the altar Mrs. Wm. Hilz Jr. sang the Wedding Prayer and during the signing of the register she sang Oh Perfect Love.

A reception followed in the basement of the IOOF Hall at which Fred Cartwright acted as Master of Ceremonies. Miss Judy Haga, sister of the bride played two clarinet solos and Mrs. Carolyn Leslie sang two vocal solos. Uncle of the bride, Benny Dann, gave the toast to the bride to which the groom ably replied. Gary Hilz gave

the toast to the bridesmaids. A very delightful hot turkey supper was served by the Candlelight Ladies of the Church of Christ. Photos were taken by David Mitchell.

After the reception the bride changed into a brown linen suit with brown patent shoes and bag, and tangerine scarf and gloves. She wore a corsage of red roses.

After a very nice trip to B.C. and points in the U.S. the bride and groom have taken up residence on the Hilz farm at Champion.

Hugh McLeod

of Edmonton

AN ALBERTA JUNIOR CITIZEN
OF THE YEAR

Eleven-year old Hugh won his award for his scholastic achievement under an extreme physical handicap. Hugh was born with glaucoma, which resulted in the loss of one eye and blindness in the other. Following surgery, he spent nine months at Jericho Hill School for the Blind in Vancouver.

After regaining a minimum of sight in one eye, he was admitted to Jasper Place public school — determined to keep up with his class.

He has done this, not only by studying hard at school, but also by giving up all after-school activity or play, to listen and learn his lessons of the day from his family.

In spite of this tremendous handicap, Hugh was among the top students in his Grade Five class.

We congratulate Hugh, and thank Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program sponsored by Alberta's investor-owned electric utility companies.

This is one of a series of Junior Citizen Award announcements. We also congratulate Hugh's father, D. McLeod, Editor of the Suburban Times, and thank his nominator, Art Keller of Edmonton.
